Authorization

By signing this Agreement, you are authorizing us to debit the bank account you have designated in this form for the above amounts owed in relation to your loan payout.

The debits charged to your bank account are considered to be personal debit if your loan is for personal purposes, and a business debit if your loan is for business purposes.

When you give us this authorization to debit your bank account, it is the same as delivering a notice to your Financial Institution where you maintain your bank account. Your Financial Institution will debit the account you specify in the same manner as if you had given written instructions.

The Financial Institution listed will not check if the debit was in accordance with this authorization nor verify that we have fulfilled the purpose of the debit as a condition to honouring the debit.

Cancellation of Agreement

You may cancel this payment method at any time by providing us with no less than 30 days written notice. You may obtain a sample cancellation form or further information on your right to cancel this Agreement at your Financial Institution where you maintain your bank account or by visiting www.payments.ca.

This Agreement is for a one-time debit and will no longer be valid once the payment has been fulfilled.

Insufficient Funds

We are not responsible to notify you if the pre-authorized payment was reversed due to insufficient funds or changes in the bank account status (even if we choose to do so). You are responsible for any charges that arise from this situation and to ensure that the required payment is made through an alternative method.

Right of Reimbursement

Debits charged to the bank account and Financial Institution you specified under this authorization will be reimbursed, if, within 10 days after the date of the debit, you provide the bank with a declaration in which you declare that:

- the debit was not drawn in accordance with this authorization
- the authorization was cancelled by you on notice to the Bank before the debit was made; or
- you did not authorize the debit.

You have certain recourse rights if any debit does not comply with the PAD agreement. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with the PAD agreement. To obtain more information on your recourse rights, you may contact your Area Sales Manager or visit https://www.payments.ca.

In order to satisfy the full repayment of the loan obligation to the Bank as identified in this request form, _____, an Authorized Signatory, confirms their authority to act on behalf of the Dealership to bind the Dealer to this agreement.
